

## The Object

I was on vacation this summer with a ton of family! We had a great time catching up, laughing, and watching our kids play together. There were new moms, veteran moms, mature moms, grandmas, and aunts. As we each mothered, everyone had their own unique way of handling the good, the bad, and the ugly situations. We each had our own idea of what was needed for that particular conflict or question at hand. Sometimes those matched up and sometimes those were different. Making it all the more interesting! We each had our own MomSense.

This year's MOPS theme is based on 2 Timothy 1:7 "God doesn't want us to be shy with his gifts but bold, and loving, and sensible." Mom intuition + Common Sense = MomSense and that MomSense is Bold, Loving, and Sensible. Daily in our lives or even multiple times in a day as mothers we are called to make decisions. We use this God given MomSense to do that.

This year as we grow and fellowship together in MOPS we will be encouraged and challenged to cultivate and develop our MomSense. So if you are a mom of a kindergarten or younger come and join MOPS at Peace and grow and fellowship with other moms in this great journey!

## Game Tips

Don't forget the semester dues of \$45 should be paid by the 3rd meeting. Please bring cash or check payable to MOPS at Peace and give it to Alicia.

Bring your MOPS iron-ons that you received with your MOPS membership to the 2nd meeting. We will be using them for a craft!

Please label all your child's items!

Don't bring a sick child!
