

Women's Safety

BE AWARE OF YOUR SURROUNDINGS!!!!

At Home:

Walk around your house to see what other people can see.

Flat Screen TV's are a hot item.

Lock your doors when you are home.

Don't answer the door when you are alone.

If you are uncomfortable go to a safe place and call 911!

Keep your garage door down.

Close garage door and then get out of your car.

Car Safety:

Keep your car doors locked.

Keep your purse and other bags hidden at all times.

Laptop bags and GPS are eye candy in the car!

Property is replaceable---- give it to them!

If you breakdown watch out who offers you help.

You can call 911 for motorist assist.

General:

Running is the best option!

Do NOT play fair!!

Key between fingers

Go for the eyes, throat, groin with whatever will do the most damage!

Pepper Spray Cons

It can blow back on you.

It can be used on you.

20% of population is not effected by it.

Have someone walk with you to your car.

Your Rights:

Put flashers on and pull to a lighted, well occupied place when pulled over.

All units will have red and blue lights somewhere on the car!

Call dispatch (911) and check to see if an officer is in that area.

When stopped at night you can turn on the over head lights and have hands on wheel to help prevent unwanted questions!

Keep a listing of your credit card, debit, checking somewhere other than purse! And cancel immediately!
